DEDICATION

We dedicate this book to those boys from our community who have made the supreme sacrifice in the Vietnam War, as well as to those who have served and are now serving to the best of their abilities.

Remembering their unselfish service, may each of us help to rekindle a truly patriotic spirit in the hearts of all with whom we come in contact. During these trying times when so many are critical, and so few are thankful for the opportunities given them in America, may we accept the challenge to defend, rather than to join the groups who would destroy the basic principles which are a part of our common heritage.

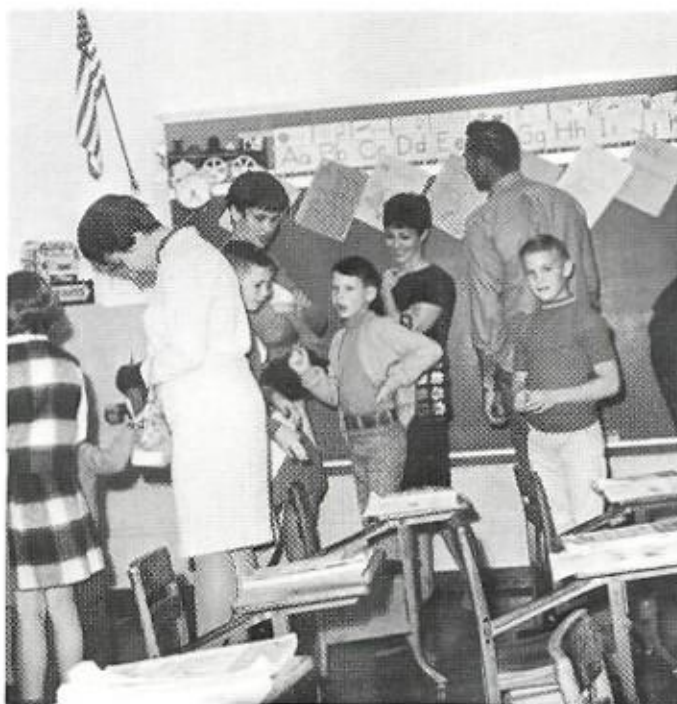

FOREWORD

An adequate, well-constructed school building speaks well for the community in which it is located, but it does not make a school.

Carl Sandburg, in his poem "Skyscraper", says it is the men and women, boys and girls, who give the building a soul of dreams, and thoughts, and memories.

Each parent, teacher, and student contributes to that soul and brings about a thing we call school spirit.

We have tried, on these pages, to give each of you thoughtful and happy memories of the year, 1967-1968.

GRADE FACULTY THEY WERE HONORED THEY WORKED THEY RELAXED

Our much-loved first grade teacher, Mrs. Ina Slover, has been cited this year by the GRADE TEACHER, a national publication for teachers, as an Outstanding First Grade Teacher. This award was made on the basis of work submitted to the magazine, and we join her students and former students in congratulating her.

Senior Trippin'

Having left Holliday at midnight, the senior class arrived in San Antonio early May sixth. They checked into the Rodeway Inn, then headed for the Sunken Gardens, the Alamo, Governors Palace, and the Lone Star Brewery. All day it looked as if it were going to rain, but it was only "foolin". The group enjoyed a Mexican meal at the Casa Rio and then boarded a boat for a river tour of San Antonio by moonlight. The class then "hit the sack" early so they would be ready for the fair Tuesday morning.

It arrived and so did the rain. The rain stayed with them during the visit to the fair. Disgusted with the rain, they ended their day at the fair early and tried to return to the motel. They spent an interesting hour on the highways of San Antonio--lost. The bus driver only knew where one thing in San Antonio was. This being the Alamo, the class found themselves continually returning to the Alamo. Tuesday nite was spent just goofing around the motel and making mischief.

Wednesday morning, "rainy and early", the wide awake group threw their things together, loaded the bus and headed for Galveston with hopes of leaving the rain in San Antonio, but they soon realized that this was hopeless. About two the bus pulled into the Flagship Hotel in Galveston, only to be greeted with news that their rooms were occupied. An IBM group had decided to stay a few days longer at the hotel, so with the Flagship picking up the ticket, they moved into another motel for the night. The boys rented surf boards and the group spent the evening on the beach, even though the sun was not there. That night they enjoyed walking on the beach, and getting acquainted with Galveston.

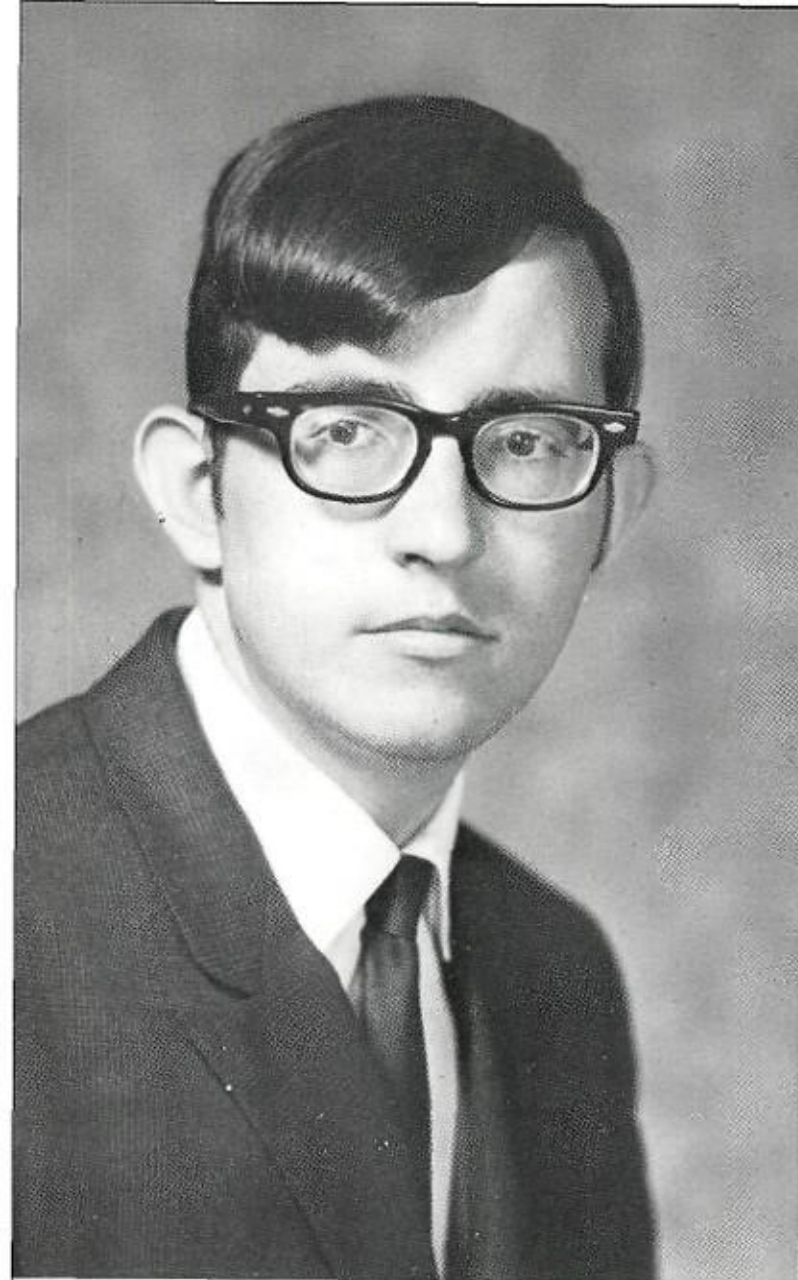

Up early again Thursday the group toured Galveston on the tour train and visited Bishops Palace. They returned to the motel, gathered their bags, and moved to the Flagship. After much room changing the group finally settled into the hotel and spent a leisurely afternoon. Thursday nite they traveled to Houston for a baseball game in the Astrodome.

Seeing that the rain had no intention of taking the next day off, the group was told that the Friday morning tour would be called off and that they could sleep all morning. Naturally they stayed up all Thursday night. Friday afternoon the seniors traveled to Houston to tour NASA. Since tornado and flood warnings were out, the group decided to cut their trip a few hours short, and head for home immediately after dinner. Dressed in their best, they had a late dinner at Gaido's, loaded the "ole" bus, and headed for home, arriving in Holliday at seven Saturday morning.

HAPPINESS IS A SENIOR TRIP!!

The Holliday Eagle Band was named UIL Sweepstakes Winner this year. They received the honor after rating a I in marching, concert, and sight-reading at UIL Contests. They were the only band in their class to receive the honor. The band was named Best In Class at the Hurst Marching Festival and won first place at the Henrietta Rodeo Parade. In the past two years the band has received 16 consecutive I division ratings. Three of these being received at the Buccaneer Music Festival at Corpus Christi. Holliday High School should be proud of such an outstanding group of musicians and their band director, Mr. Dee Tucker.

GARY HAGGERTY

On the football field Gary was tough, but his pleasant smile and congenial manner as he passed through our hallways and class rooms endeared him to all of us.

Football was only one of Gary's many interests. The coaches could depend on him for such things as weightlifting, track, and baseball. Whatever he undertook, became a thing of high purpose for Gary.

Since Mr. Holliday High is elected by the student body, it is easy to see that Gary was a friend to all.

MR. AND

MISS H.H.S.

CINDY SNYDER

One winter morning Cindy walked into our hallways, bringing to us her continuous smile and charming personality.

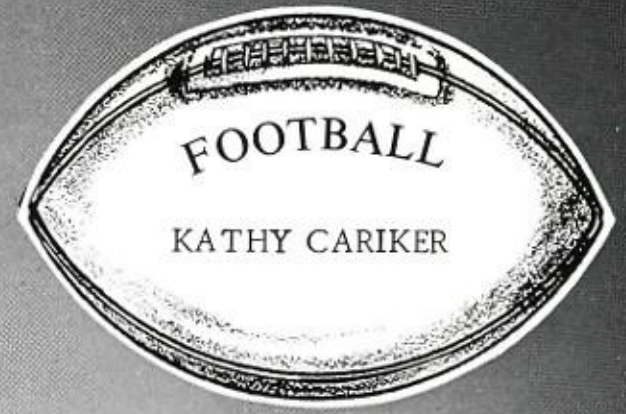

During her three years in H.H.S. she added something unique to our classes and displayed dependability, energy, and enthusiasm for our many activities. These characteristics won for her such honors as Band Sweetheart, Friendliest, Wittiest, and Best All Around.

We are proud to have her as our Miss Holliday High.

SEASON RECORD

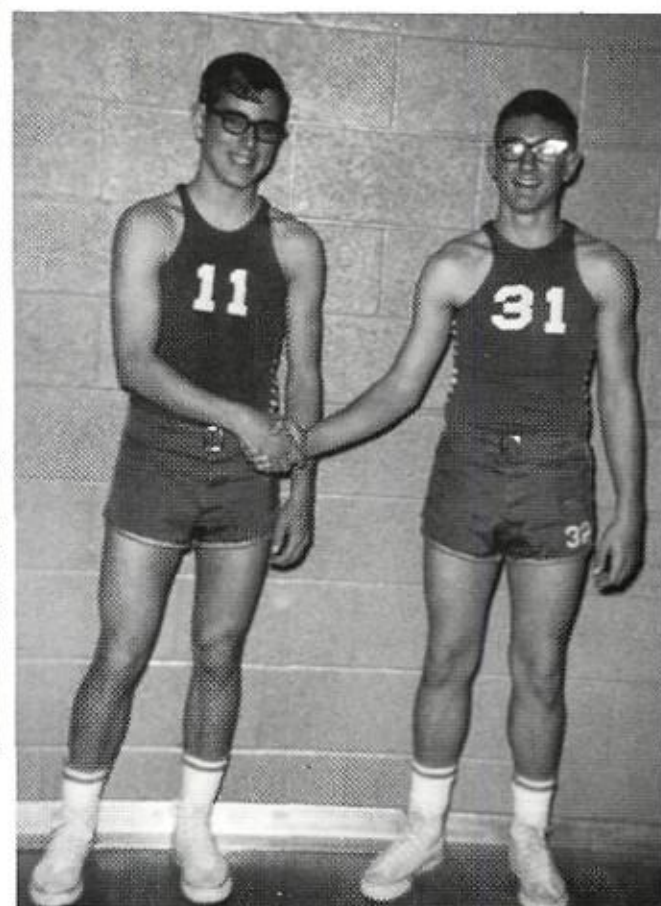

Our junior high boys were eager to play and determined to win. As the season progressed, their opponents learned to respect their fighting spirit, and the little Eagles became District 11-A champions when they surprised an unbeaten Knox City team, 16-0. Congratulation, "Champs"!

The 1968 eighth grade class members and their parents voted to dispense with graduating exercises, as such, and concentrate efforts, as well as finances, on an outstanding banquet.

Students took two weeks from their regular English class work to pick out, revise, and practice reading poems, plays, stories, and speeches that the class had previously written. These were read, either by the author, or by another student who recognized and presented the author.

The banquet was attended by approximately one hundred parents and friends who were highly entertained by these original compositions, as well as by the musical selections given by the class.

YOU CAN TAKE US FOR GRANTED

You switch on a lamp, and there's light. You set the thermostat, and there's comfort. You turn on the TV, and there's entertainment.

When you use handy, ever-present electricity, chances are you never stop to think of the effort, time and equipment involved in generating it and delivering it to your home.

And there's no need for you to ponder it. We're thinking and working every day, to see that you have a continuing supply of electric energy. In fact, we were con-

sidering your present needs years ago, and right now we're planning for your future electrical requirements.

So go ahead. Take us for granted. We wouldn't have it any other way.

The staff and I wish to thank the advertisers, both in Wichita Falls and in Holliday, for their loyalty to and support of our school yearbook. The ads made it possible for us to sell the book at a reasonable price.

Also, we would like to thank the many parents who purchased books and pictures and who supported our various activities throughout the year, making it possible to compile this record of events.

May each of you have many happy memories of the year.

Sincerely,

TAYLOR PUBLISHING COMPANY
